CAREER SUMMARY

Professional Development Project

Self-Directed | Feb. 2021 to May 2021

- Self-started project to develop my ability to approach new life skills effectively.
- Worked with notable music artists in the area to produce 3 songs in 3 different genres on SoundCloud.
 - Developed Project Management skills creating deliverables each week to show my constant growth and independence
- To showcase the skills I had gained, I taught a club on how to approach large projects and how to seek out community resources to use in their own projects.

DubHacks Project Manager

UW Event | Oct 2021 to Nov 2021

- Organized and led a team of 4 to produce an app that mediates mental health by gamifying healthy habits.
